The Los Angeles Rams Communications team invite all media to submit their single game credential applications for the Rams vs. Cowboys game on Sunday, October 9. Single-game credentials are available through our media website www.therams.com/media.

Requests for single-game credentials will not be reviewed unless submitted online through the Rams Media Portal (www.therams.com/media). **The deadline for the Rams vs. Cowboys game is Tuesday, October 4 at 5:00 pm P.T.** All applications must be submitted by the media outlet's assigning editor, photo editor or producer.

Only credential requests from accredited working media on specific assignment for a recognized news organization or sports publication will be honored. Credentials will not be issued to independent websites or freelance writers or photographers unless requested by a recognized news organization or sports publication. Demand for credentials is high, and as such, each media outlet

requesting access will be considered on a case-by-case basis and is subject to the discretion of the Los Angeles Rams Communications Department.

The single-game credential applications only pertain to home games at SoFi Stadium. Media interested in covering road games should submit their requests to Artis Twyman at atwyman@rams.nfl.com at least one week prior to the game you'd like to cover.
